How to Set Up Your AMC Activity Digest

• Tired of searching manually for your favorite AMC activities? Not knowing if or when your favorite trip has been listed?
• How about having a list delivered automatically to your email inbox?
• Read on for step-by-step directions:
  • Create your personal AMC online account – you need to be an AMC member to do this
  • Set up one or more activity digests – listings of just the activities you are interested in
  • Have them emailed to you automatically as often as you like: every day, week, month
  • See all newly posted activities since your last activity digest
Log In to AMC Web Site

- Go to outdoors.org from your browser.
- Best if done on a computer rather than a phone.
Log In to Your AMC Account

- On login page, fill in your user name and password, then submit.
- If you don’t have an account, click “Don’t have an account”
Create an AMC Account

- If you already have an account, go to the next slide.
- To create an account, fill in the requested info:

Pick a name for this digest – make it descriptive of the filters you set up in the next steps.
Select Frequency

- Decide how often you want to receive emails for this digest.
- When you receive a digest, it will contain all matching events posted since your last digest.
Select Filtering Criteria

- Pick the features you are looking for in the activities you want to see in your digests
- Select a particular Chapter if you want, or leave it blank (the “- -” option at the top of the list) to cover all Chapters.
- Generally best to leave “Committee” blank.
- If the geographic location of the activity is important to you, select one or more. To select more than one, click while holding the Command key (Apple ⌘) or the Control key (PC Ctrl).
- Ditto for the Activity field.
- Screen shot on next slide.
