

AMC Worcester Chapter Leadership Requirements & Guidelines

REV 9.0 January 2012

Introduction:

The purpose of this document is to define the requirements and guidelines for all leaders and co-leaders for the Worcester Chapter. Anyone who wants to lead or co-lead trips for the Worcester Chapter is required meet the requirements and guidelines defined in this document. All leaders must recertify in Wilderness First Aid (or higher AWFA, WFR) at least every 3 years; for activities that require WFA Certification

A qualified leader is required on all activities, outings or events sponsored by the chapter with the exception of those activities which are strictly social in nature (e.g. potluck dinners, picnics, barbecues, cocktail hours, slide shows, speaker presentations.)

In the situation where this document is in conflict with the club wide Leadership Requirements and Guidelines, the club-wide document takes precedent. The Leadership Chair should be consulted for interpretation of the Worcester Chapter Leadership Requirements & Guidelines.
